

Choice of tasks for your independent home learning project...

Wild World Topic: Ocelot, Fox and Wombat classes

Homework due in **Monday 24th June 2019**

	What do I know and understand? 	Can I apply and show what I know? 	What can I create? 
I enjoy reading, writing and speaking 	Draw a picture of a wild animal of your choice and label the different parts of its body.	Choose an animal from the wild and research more about it. How does it survive in the wild?	Write a poem about flowers in the wild. Think about the type of adjectives you could use.
I enjoy painting, drawing and visualising 	Paint a picture of a flower of your choice from your garden or from a park.	Copy and draw the world map. Label five main or famous habitats around the world (for example the Amazon rainforest).	Create a collage of a habitat from the wild (for example a rainforest, desert, arctic, meadow, etc.)
I enjoy being active and doing hands on activities 	Help someone in your family with the gardening. Think about what tools you will need to use and how to look after the flowers.	Grow a flower or plant of your choice in a pot or in your garden. Take photos of its progress.	Design and create a garden! Think about how your garden could be appealing for humans as well as wild animals.

Year 1 need to complete one piece of homework from the grid this half term.

Year 2 need to complete two pieces of homework from the grid this half term.

These will be due in on **Monday 24th June** (not before). We will be sharing and celebrating learning achievements during the two weeks after the 24th.

You will still receive weekly maths and phonics homework to hand in every Wednesday.
