

Spring Term 2019

January 29th 2019

Dear Parents/ Carers,

We are delighted to be able to tell you that Mr and Mrs Tingey's daughter was born on Wednesday morning weighing 7lb 3oz. Mrs Tingey and Annelie are both doing very well.

Lost property

We have noticed a rapid increase in the amount of lost property we have in school. A large number of items are winter coats. Please make sure that your child's belongings, including: uniform, PE kit, coats, gloves and hats; are clearly and permanently named. If items are named we do our best to return them. Lost property will be out this week and any items not collected will be given to the charity shop.

Bowls

Some Y5/6 children were invited to a taster afternoon for indoor bowls. The children went to the Lakenheath Indoor Bowls Club and had a session learning and improving their bowls technique. Even Mr Bishop had a go! The children were all complimented on their concentration, listening and behaviour.

Sports day for Y6

A group of athletes from Y6 attended a workshop at Brandon Leisure Centre last week. Its focus was on 'What makes an athlete', including fitness and around tactical awareness. They were being led by specialist coaches participating in a variety of activities with the intention on building their confidence and leadership in sport. They all had a great day and I later received an email commending their behaviour and attitude.

Dinner Money

All dinner money must be paid in advance please. If you have any outstanding monies these must be paid off by February half term at the very latest.

Lunchtime cover staff

If any of you, or anyone you know, would be interested in being a cover lunchtime supervisor please collect an application form from the main Reception. This would be on a needs basis to cover staff absences.

EYFS plea

If any of you have any nails and cut off wood for their outdoor area to practise their gross motor skills they would be gratefully received. We are still also on the lookout for any old pots, pans and utensils for the mud kitchen.

Information Leaflets

Children from Y2 to Y6 should have brought home a leaflet from Change4Life regarding reducing sugar levels for primary school children. Children from Y3-Y6 have also been given an information booklet regarding on-line safety. We have noticed an increase in the number of children accessing games and information outside school that is not always age appropriate. Please take time to look through this as it has some very useful tips about how to best protect your children.

Parents' Evening & SATs Information Session

Just a reminder that EY-Y5 parents have until midnight this Thursday to book their slot for parents' evening. Your child should have brought a letter home regarding this. If you need any help please contact the school office. Y6 parents have the opportunity to attend a SATs information session on Wednesday 6th Feb, please book your space via the online parents' evening system.
