

Summer Term 2019

May 3<sup>rd</sup>

Dear Parents/ Carers,

I hope you all enjoyed the Easter break and made the most of the lovely weather. The term is flying by and has already been busy and successful.

### Trips

Y1/2 have all been to Lackford Lakes. They all enjoyed their day trip seeing lots of different water life and pond dipping.

Y3 started the term with a trip to Schools Farm and Country Fair. They had a lovely day seeing different animals, vehicles and demonstrations. They behaved beautifully and experienced lots of new things. While they were out Y4 had a Forest School day building waterproof shelters and making bows and arrows. They did really well and their shelters even kept them dry when the rain came.

Y3/4/5/6 had an 'Ignite' day to start off their topic 'The Wild West' they heard a story around the fire. This was an Apache legend about how the stars got their space which they then retold.

## Sport

AGAIN!

A huge well done to our High – 5s team who won the Mildenhall round of the competition against 8 local schools. They will meet the winners of the Newmarket round in the final at the end of this month. Our thanks to Mrs. Bell and Mrs. Knight for coaching our team to success. This is our 3<sup>rd</sup> sporting win this year following on from rugby and dance.

A very big thank you to Mr. Barnes who spent most of his Easter holidays repainting the main Reception area. It looks so smart now and really gives a great first impression.

We would like to say a huge well done to Julie Ebbage, who works in the kitchen, who ran the London Marathon last weekend to raise money for charity.

Y6

Children are welcome to come in from 8am to practise for their SATS and to have breakfast. In SATS week [May 13<sup>th</sup> – May 16<sup>th</sup>] we will be offering the children SATS breakfast of bacon sandwiches [or a vegetarian alternative]. They have all worked very hard this year towards their end of year tests and we wish them all the very best of luck.

Allsorts After-school Club is now running at the school. It runs from 3pm – 5pm and the children take part in lots of different activities, so far they have: made Lava Lamps and Dreamcatchers, as well as designed Boats ready for the "Great Lakenheath Boat Race". They will be making Hanging Baskets, BFG Dream jars, Bird feeders, wind chimes, "circus" events, fairy and elf houses, pebble painting to be put out in the community for others to find, make your own binoculars for a scavenger hunt, bug hunting, nature trails and many more. Each session is £8 for two hours. For more information please email Miss Ellis and Miss Haslam-Wise on: [allsortsclub@hotmail.com](mailto:allsortsclub@hotmail.com) or call 07711 573746.
