

## Science

In Science, we are looking at different materials. We will be naming them and looking at their properties. Following this, the children will move on to look at their suitability for purpose. We will also be looking at the season of Summer.

## Phonics and spellings

We will be following Little Wandle phonics, re-capping the phase 3 sounds, working on reading, writing and spelling. We will also complete phonics reading sessions. Information will come home weekly about spellings and sounds covered. Homework will be due on a Monday.

## History

In our History learning, we are finding out about the Great Fire of London. How it started, why it spread so quickly and why it lasted so long. We will also be learning about Samuel Pepys and his importance as a historian.

## Ocelot Class

Miss Wells

Mrs Constable (Tuesday afternoon)

## PSHE

The children will be learning how to cope with changes.

## P.E.

Ocelot PE days are Thursday (outside) doing key skills, i.e. jumping running, balancing and Friday (inside) doing dance.

## Literacy

In literacy, we will be looking at the book 'How to Find Gold'. We will be talking about the characters, predicting what will happen next, creating lists, share ideas, acting out parts of the story and many other things. We will also be looking at sentence formation, the use of capital letters, full stops and finger spaces. Our grammar focus this half term is how to present our work neatly.

## Art

In our Art lessons we are learning art and design skills, including sketching, printing, colour mixing and exploring different media.

## Maths.

In maths we will be looking at the number system within 10. Recognising amounts, counting on and back. Finding out 1 more and 1 less, and recognising number names as words. Comparing and grouping objects.

## Computing

We are learning about computing systems and networks, and how information technology is used at school and the world around us, including how to stay safe.
